MEMORANDUM FOR: Chief, DMD/NPIC  
Chief, RS/NPIC

SUBJECT : Updated Priority Photo Reconnaissance Objectives

REFERENCE : Ltr from AFCIN-1B2, dated 21 June 1961, subject as  
above, (CIN-1B2 (S) #1135-61)

1. Reference transmitted copies 20 and 21 of attached Reconnaissance Objectives. It should be noted that these are essentially targets submitted by the various CINCs of USAF Commands and does not represent the intelligence targets of the Intelligence Community. Those, however, found under Priority A1 are included in the COMOR Highest Priority Targets used by NPIC during preliminary reporting. This listing was prepared by the USAF to aid the operations people engaged in programming camera on and off for the next E-2 SAMOS shot.

2. Also included is a copy of USAF cable HQA 121 (CIA IN 29537) which emphasizes the need-to-know principle and sets forth other handling restrictions.

3. Any discussions of the attached must be cleared with the Operations Officer.

4. Copy 20 is for DMD Information Branch retention and Copy 21 is to be passed to RS/NPIC for information prior to file in DMD Master Files.

  
Operations Officer, NPIC
